

2'-F-AMP

2'-Fluoro-Adenosine-5'-monophosphate, Sodium salt

Cat. No.	Amount
NU-152S	50 Units
NU-152L	250 Units

Cat. No.: NU-152

Molecular Formula: $C_{10}H_{13}N_5O_6PF$ (free acid)

Molecular Weight: 349.21 (free acid)

Purity: > 95%, clear aqueous solution, pH 7.5

Storage conditions:

Short term exposure (up to 1 week cumulative) to ambient temperature possible. Long term storage at < -20°C. If stored as recommended, Jena Bioscience guarantees optimal performance of this product for 12 months after date of delivery.

* 1 unit = 1 μ l of a 10 mM solution
